Dear Mr. Schiavoni:

Thank you for your January 26 letter regarding a request to experiment with Rental Car Signs at Cleveland Hopkins International Airport. The enclosed report that accompanied this letter is the same report that was enclosed with your September 28, 2000, letter.

Our primary concern still remains that you have not provided an answer to the following question: "What specific signs are proposed for use on the freeways leading into the Rental Car Returns at Cleveland Hopkins International Airport?" This is not clearly shown in the enclosed information.

Conditional approval to experiment under request number II-405 is given pending receipt of a reply to the above question.

Sincerely yours,

Shelley J. Row, P.E.
Director, Office of Transportation
