Dear Ms. Eastley:

Thank you for your December 5, 2004, letter that addressed the questions we had in our October 27, 2004, letter to Mr. Vaughn T. Munshower regarding experimentation request number 2-496, "Driver's Alert Sign." Your request to experiment is approved. Based on the 2-year evaluation time frame indicated in your letter, we anticipate that this experimentation will be completed in February 2007. We look forward to receiving semi-annual progress reports and your final report covering the findings and recommendations. If you have questions, please contact Ms. Linda Brown of my staff at 202-366-2192.

Sincerely yours,

Regina S. McElroy  
Director, Office of Transportation  
Operations
