Dear Mr. Rickman:

We have received your April 27 letter furnishing additional information regarding your request for approval to experiment with in-roadway flashing warning lights (IV-165(Ex)).

We have reviewed the material that was submitted and find it to be suitable in support of your request to experiment. Therefore, your request to experiment for 3 years under the provisions of the Manual on Uniform Traffic Control Devices with in-roadway flashing warning lights at crosswalks is hereby approved.

We look forward to reviewing your first semiannual progress report early next year. If we can be of further assistance, please contact Ms. Louisa M. Ward on 202-366-4372.

Sincerely yours,

Shelley J. Row, P.E.
